

interLoc

LOCKERS AND SEATING

about us

Interloc is a family business with a history spanning over fifty years. Our core values are founded upon innovation in design and manufacture, therefore offering the best solutions in lockers across Australia.

Our product excellence is matched by service excellence, as we believe every client and every order leads to the next. Established management procedures underpin the quality culture at Interloc, ensuring we provide the very best in product and service.

Unmatched warranties support the durability and reliability of Interloc products, whilst maintenance programs further extend the life cycle of your product selections.

Interloc's service is extensive, from full site audits, measures, designs and detailed quotations to finishes selections, manufacture, delivery, installation and service.

The range of product reflects an understanding of the market, as the needs of each client differs greatly. Innovation is a definite strength at Interloc, with our designs reflecting market trends and financial responsibility.

We offer timber laminated, powdercoated steel, ABS plastic in standard and special sizes. A host of options and accessories can be added to an installation to enhance its appearance, function or user convenience. Configurations and uses vary from range to range.

Social responsibility is also a priority, with our intelligent manufacturing processes and prudent material selections minimizing impact on the environment. We have been awarded a **"Good Environmental Choice Australia"** license and certification for our high volume ranges.

We invite you to explore our wider product library as well as the technical support material available.

As market leaders with excellent product, a client focus and national coverage, we look forward to doing business with you.
