## LOCKERS AND SEATING

timber laminate lockers

Our timber laminated locker is the most popular product manufactured today.

Available in a wide range of laminate colours and differing board types, it is a patented design that has become the benchmark locker which all others are measured against.

Doors to these lockers are available as rectangular, interlocking / wave-shaped or the mini-sized door. Please refer to our Technical Guide for all sizing option and doors combinations.

The range has been designed to cater to all possible requirements, covering recreation, sporting, fitness, educational, hospitality, commercial and industrial applications.

A wide range of accessories also exist to enhance the lockers, including seating, end panels, hanging rails, mirrors, shelving, ironing boards, hooks and special custom infills. These can be supplied on request to ensure a fully tailored finish is given to each installation.

Locking options are also diverse, including padlocks, barrel locks, coin / token and digital locks.

Teamed with a reliable measure, quotation, delivery and installation service, Interloc enjoy a market leading position for timber lockers.

*For detailed architectural specifications and options available, refer to "Technical Guide".*

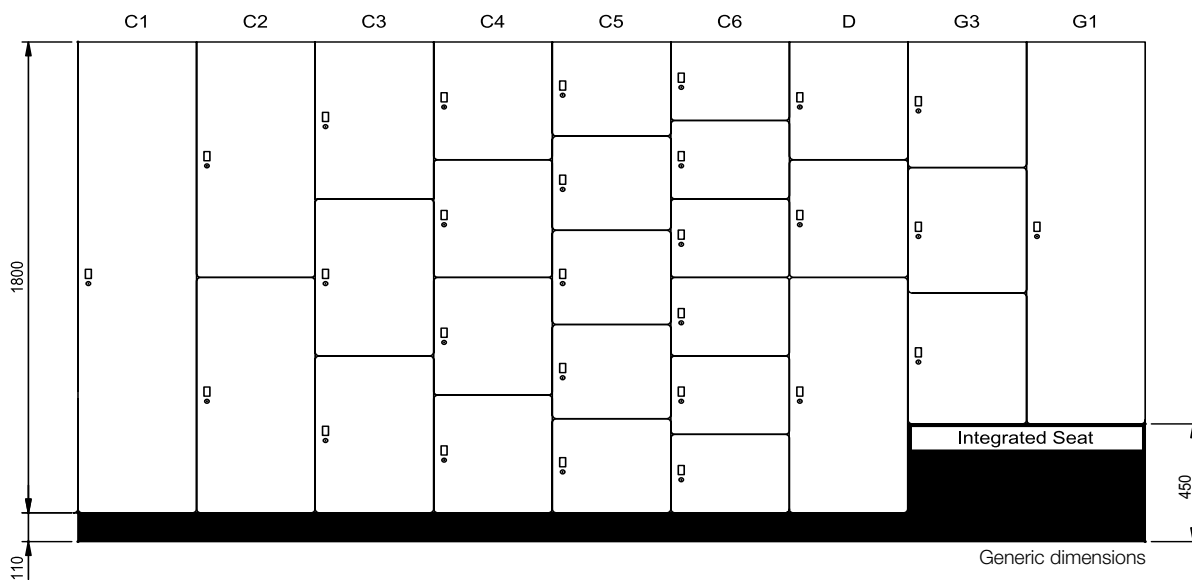

*For Interloc's environmental platform, please refer to our "Sustainable Manufacturing" profile.*
