

Environmental Policy

Interloc Lockers Pty Ltd is a medium sized Australian owned company that manufactures and imports lockers and seating for the commercial, recreational and healthcare sectors.

We are committed to conducting our business with due concern for the natural environment and with consideration of the local community and neighbours.

It is our intention to maintain a sustainable, environmentally responsible business which respects the quality of the environment and uses resources efficiently.

To this end we are committed to:

- Compliance with environmental laws and regulation
- Compliance with Ecolabelling Standard - Ecospecifier GreenTag – GreenRate
- Using our resources wisely by implementing energy efficient practices
- Implementing pollution preventive practices
- Reducing, reusing and recycling our on-site waste wherever practical through our recycling program
- Setting objectives and targets to assist us in reducing our environmental impacts
- Implementing staff training to ensure all staff are aware of the companies environmental objectives and targets
- Promote environmental awareness and training for our staff and supply chain
- Striving for continual improvement

Our companies commitment extends to operating in accordance with the Australian Standard AS/NZ ISO 14001: 2004 Environmental Management System Requirements

John Bryant
Managing Director
