

Environmental Policy

Interloc Lockers and seating Pty Ltd is a small to medium sized Australian owned company which manufactures, imports and installs lockers and seating for the commercial, recreational and healthcare sectors.

We are committed to conducting our business with due concern and protection of the natural environment, biodiversity and ecosystems. Sustainability is firmly embedded in both the company's culture and business strategy.

It is our intention to maintain a sustainable, environmentally responsible business which respects the quality of the environment and uses resources efficiently.

To this end we are committed to:

- Compliance with environmental laws and regulation
- Compliance with Ecolabelling Standard, Global GreenTag -GreenRate
- Compliance with the Australian Packaging Covenant Organisation (APCO)
- Understanding market expectations and industry trends
- Consideration of environmental issues in business strategies and initiatives
- The reduction of pollution preventive practices
- Reducing, reusing and recycling our on-site waste wherever practical through our recycling program
- Implementing energy efficient practices
- Setting environmental objectives
- Educating staff on our environmental objectives, programs and initiatives
- Promoting environmental awareness within our supply chain (procurement)
- Taking a life cycle approach for product design, manufacturer and end of life
- Striving for continual improvement to enhance environmental performance

Our company's commitment extends to operating in accordance with the International standard ISO 14001: 2015 Environmental Management System Requirements
